FALL SWIM TEAM

At the Huntington YMCA, we have a long history of swimming success. With coaches like Glen Hummer and George Haines, our swim teams have produced great competitors and even better people. Join us as we restart our Y Swim Team program and be a part of the next exciting chapter of Huntington YMCA Swimming.

Our Fall Swim Team is an introductory, pre-competitive experience to prepare swimmers for our upcoming Competitive Swim program. An experienced swim coach will work with swimmers to develop proper technique in each of the competitive strokes. In addition, students will learn new skills, such as streamlines, racing dives, flip turns and other competitive swimming knowledge.

Swimmers will spend six weeks training and refining their strokes. At the end of the session they will compete in a swim meet against the Wabash and Grant County YMCA.

Swimmers must have the endurance to swim one length of the pool without a flotation device.
