

WELCOME!

Here is a typical day of camp:

Mornings start with a whole camp game or activity so everyone gets to know each other. Then we break off into our different groups to do games and activities based on our camp theme for the week. Swimming and gym time will be divided based on groups this summer. Then we will take a lunch and rest break, called Power Hour, before we prepare for an action packed afternoon of games and activities. We wind down our camp day with a time where we have snack and clean up and receive camp awards and Core Value Cash to save up and spend at the end of the week at Canteen! The day will finish up with free time before parents arrive to pick up their camper.
