

## YMCA MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

Preschool class days and times are selected and reserved at time of registration, but subject to change depending on enrollment. Important orientation information will be mailed to you at the beginning of August. These mandatory orientation/meet the teacher meetings are for both the child and parents. Classes will start the week of August 31<sup>st</sup> and run through mid-May 2027.

If you would like to know more about our preschool program, please contact Karen Teusch, Director of Early Childhood Development.

Our preschool program provides a nurturing and supportive environment where our teachers instill a love and value for learning. We offer multi-sensory learning opportunities throughout our curriculum to increase successful outcomes. Our staff pride themselves on developing and strengthening the whole child's well-being and quality of life through academic enrichment, physical activity, and social interaction.

#### Academic Enrichment

- Pre-literacy skills
- Math, problem solving and sequencing skills
- Science
- Activities to develop fine motor skills (handwriting, coloring, cutting with scissors, gluing)

#### Physical Activity

- Guided and free play in the gym and on the playground
- Participation in music movement
- Activities to develop gross motor skills (balance, coordination, body awareness)

#### Social Interaction

- Sharing, taking turns, and following rules
- Emotion management
- Building trust & confidence through healthy relationships
- Engaging in healthy values, habits, and behaviors

#### PRESCHOOL SWIM LESSONS

The YMCA values the importance of learning to swim and the confidence it can bring to your child. Super Stars and Shooting Stars classes receive a 4-week swim session at no extra charge. The lesson time conveniently coordinates with the class time by running from 11:45am-12:15pm.
